We've Got You Covered... Inside And Out

We are **excited** to announce that we are now offering installation and repair service. All installation and repair work is managed by Fred Hunt of Fred Hunt Contracting, which is licensed, bonded, and insured in Washington state. Incidentally, Fred is co-owner of Mobile Home Parts Northwest and Axle Solutions, Inc., and has **over 20 years** of experience in the manufactured home industry.

Give us a call today with questions about installation or repair or for a free estimate. Fred and his crew look forward to providing you with excellent service **and** great value.

Here are just some of the projects we can help you with:

- Bathtubs, shower pans, and surrounds
- Bathroom or kitchen sinks and faucets
- Energy efficient vinyl windows in all sizes
- Vinyl shutters in a variety of colors and styles
- Exterior or interior doors and sliding-glass doors
- Floor and subfloor repair due to water damage
- Professional furnace installation or replacement
- Vinyl skirting installation or upgrading of existing
- Patio, deck, carport, window, or porch awnings

Our Parts Fit!

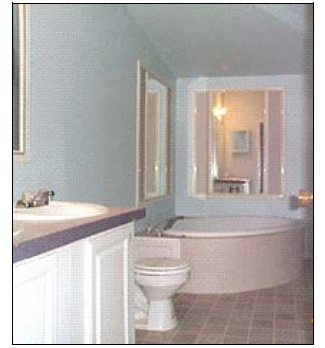

Manufactured homes require special sizes.
Let our knowledgeable staff assist you.

Spruce Up Your Kitchen & Bathroom

Take your kitchen or bathroom from drab to luxurious and beautiful with our **expert** repair and installation service and quality materials. We can repair worn or broken fixtures or accessories, or upgrade the look and functionality of your kitchen or bath.

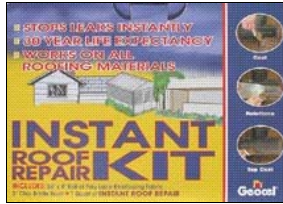

We have all the materials and can provide you with a written estimate for all parts and labor. And, remember we are **licensed and bonded** for your security.

Call us today for Quality Manufactured Home Repair with our NEW Installation & Repair Services!

One Stop Does It All - We Have The Parts

Geocel Instant Roof Repair Kits: With the rainy Northwest weather already on the way, you may experience unexpected leaks in your roof. These kits will make the repair job much easier. We have them in stock and they are reasonably priced.

Ceiling Panels: These ceiling panels are 4 ft.. wide with grooves running the length that are 16 inches apart. Plastic moldings are inserted into the grooves. They're available in 7 ft. or 12 ft. lengths.

Flair-It Plumbing Parts: These valves and connectors are easy to install. **No special tools** are needed and they're designed to work with most existing plumbing. We carry a great selection of all sizes.

Inter-therm furnaces: If your furnace is on its last legs, let us help you out with a replacement for years of reliable service.

Stay warm and comfortable on those rainy autumn days.

Rodent Barrier/Bottom Board: This durable fabric prevents moisture damage to flooring, intrusion by rodents, and protect plumbing and other connections.

Windows & Screens: Our horizontal and vertical single-hung windows and sliding glass doors are more energy efficient and beautifully designed. We also have custom-sized screens available in white, bronze, or gray (mill finish).

Vinyl or Composite Skirting

Our **Variform** vinyl skirting is available in a **variety of colors and sizes**. It has a natural wood appearance, and is very durable and easy to maintain.

Our **Hardie** brand composite skirting is durable as well. It comes with a smooth or stucco texture. It retains paint 3 to 4 times longer than wood. And, it's approved for above and below grade. Moisture won't rot it and it is resistant to fire.

Our Team is Ready to Serve You!
