Get Ready For Fall & Winter Weather

Replace Old Windows, Doors, & Skirting

Our vinyl windows and sliding glass doors are **attractive and energy efficient**. We also have attractive interior or exterior doors in a variety of styles to upgrade the fit and look of interior and exterior doorways.

Our vinyl skirting is available in a variety of colors. It has a natural wood appearance, is durable and **easy to maintain**. We also have **Hardie skirting** (composite) in a smooth or stucco texture. It retains paint 3 to 4 times longer than wood. It can be used above or below grade. Moisture won't rot it and it is **resistant to fire and pests**. Ask us about professional installation services if needed.

Upgrade Furnaces & Crossover Ducts

Are you happy with the **efficiency** of your current furnace? Does it perform the way that it should? We carry quality Intertherm furnaces, which are very affordable, and will provide you with many years of efficient and reliable service. Contact us today for info. We can refer you to a qualified professional **furnace installation expert**.

Heat Crossover Ducts: These distribute heat from your furnace throughout your manufactured home. This flexible duct material can get worn, torn, or damaged by rodents or other pests. Now is the time to **maximize the efficiency of your heating system** by ensuring these ducts are in good repair. We have a variety of lengths and diameters available.
